

DOT-approved R compound optimized for the weekend warrior. As a tire company with championships in multiple disciplines, Maxxis is proud to introduce the Victra RC-1: A tire built by racers, for racers. Whether you're a club racer, track day enthusiast or an enduro racing warrior, the RC-1 was designed to deliver outstanding results in dry conditions while retaining excellent heat-cycle performance. The development team started with a pattern that eliminates annoying tread-squirm and focused on delivering a tire that has great steering response, smooth break-away characteristics and consistently fast lap times. Maxxis engineers also used high-end raw materials to ensure superior durability throughout the life of the tire. So join the champions who have won on Maxxis and experience the new benchmark in bragging rights per dollar – the Victra RC-1.

SPECIFICATIONS

Rim Size	Size	Service Description	SideWall Name	Overall Diameter	Section Width	MaxPSI	Max Load [lbs]	Approved Rim Width [in]	Ply Rating	P/C/LT	Radial/Bias	Tread Depth
17	235/40R17	90W	R1	24.3/0	9.6	51	1323	8.5		P	RADIAL	6/32
